

2020 JOE BERTAGNA HOCKEY INSTRUCTION Be part of our 47th season!

Join us for our 47th year of hockey camps! We have coached thousands of hockey players since our start in 1974 and we continue to help players of all ages enjoy the game more. Hope to see you. - Joe

THE STAFF — Joe Bertagna will be present at each school. A graduate of Harvard University, Joe has enjoyed a unique career as a player, coach and administrator. In the summer of 2016, he was inducted into the Massachusetts Hockey Hall of Fame. In 2017 he received USA Hockey's Distinguished Service Award. A year later, he was inducted into the ECAC Hall of Fame. In February of 2020, he will be inducted into the Women's Beanpot Hall of Fame. A former Harvard goaltender, Joe's resume includes six seasons as goalie coach of the Boston Bruins and he also served in that capacity with the 1994 U.S. Olympic Team. While with Boston, he enjoyed two trips to the Stanley Cup Finals (1988 and 1990). In addition to Joe, more than 15 other coaches will work during 2020, many drawn from active college and professional ranks. Joe works fulltime in college hockey as the Executive Director of the American Hockey Coaches Association. **Joe's ability to attract college and professional coaches to the staff insures that the most current techniques will be part of the curriculum.**

THE BERTAGNA GOALTENDING PHILOSOPHY — For all that Joe has accomplished in college hockey, Joe first made his name as a goalie coach. Joe Bertagna believes in emphasizing the mental aspects of playing goal, while covering all fundamentals on the ice as well. While techniques have changed over the years, the importance of positioning and rebound control remain the building blocks of the position. **Goalies will receive age-appropriate instruction from New England's best staff.**

YOUTH PROGRAM GOALTENDING INSTRUCTION — Joe Bertagna and his staff are available to work with youth hockey programs during the winter. During the winter of 2019-20, Joe helped teams from Beverly Youth Hockey and Cape Ann Youth Hockey, while serving as goalie coach for the boys and girls varsities at the Governor's Academy. Joe will tailor a program for your needs. On-ice clinics. Game observations. Tryout evaluations. If you are interested in any of these services, contact Joe at jbtagna@comcast.net.

THE ADULT WOMEN'S SPRING SKILLS CLINIC — Now well into its second decade, the Adult Women's Spring Skills Clinic has been a huge hit, sold out annually and featuring a high percentage of returning attendees each year. Joe, who was the first head coach of Harvard University's women's team, directs this clinic on 8 spring Monday nights at The Edge in Bedford. His co-director is 1972 Olympian **Stu Irving**. Approximately 25 skaters and 2-4 goalies sign up each year for eight 80-minute sessions. It is a lot of fun and a good learning environment. **Joe's college hockey contacts make it possible for some of New England's top female coaches to join the regular staff on a weekly basis!**
