

2022 JOE BERTAGNA HOCKEY INSTRUCTION Be part of our 49th season!

Join us for our 49th year of hockey camps! We have coached thousands of hockey players since our start in 1974 and we continue to help players of all ages enjoy the game more. Hope to see you. - Joe

THE DIRECTOR — **Joe Bertagna** is a graduate of Harvard University, where he not only played goal but coached the boys' JV team and the women's varsity. In fact, he started the Harvard women's program in 1977. Joe has enjoyed a unique career as a player, coach and administrator. In the summer of 2016, he was inducted into the Massachusetts Hockey Hall of Fame. In 2017 he received USA Hockey's Distinguished Service Award. A year later, he was inducted into the ECAC Hall of Fame. In 2020, he was inducted into the Women's Beanpot Hall of Fame. Joe's resume includes six seasons as goalie coach of the Boston Bruins and he also served in that capacity with the 1994 U.S. Olympic Team. While with Boston, he enjoyed two trips to the Stanley Cup Finals (1988 and 1990). In addition to Joe, veteran college and professional coaches will work during 2021. **Joe's ability to attract college and professional coaches to the staff insures that the most current techniques will be part of the curriculum.**

THE BERTAGNA GOALTENDING PHILOSOPHY — For all that Joe has accomplished in college hockey, Joe first made his name as a goalie coach. Joe Bertagna believes in emphasizing the mental aspects of playing goal, while covering all fundamentals on the ice as well. While techniques have changed over the years, the importance of positioning and rebound control remain the building blocks of the position. **Goalies will receive age-appropriate instruction from New England's best staff.**

YOUTH PROGRAM GOALTENDING INSTRUCTION — Joe Bertagna and his staff are available to work with youth hockey programs during the winter. During the winter of 2021-22, Joe helped Beverly Youth Hockey, while serving as goalie coach for the boys' and girls' varsities at the Governor's Academy. Joe will tailor a program for your needs. On-ice clinics. Game observations. Tryout evaluations. If you are interested in any of these services, contact Joe at j2b2hockey@gmail.com.

THE ADULT WOMEN'S SPRING SKILLS CLINIC — Now well into its second decade, the Adult Women's Spring Skills Clinic has been a huge hit, sold out annually and featuring a high percentage of returning attendees each year. Joe, who was the first head coach of Harvard University's women's team, directs this clinic on **eight spring Tuesday nights at The Edge in Bedford**. His co-director is 1972 Olympian **Stu Irving, with female coaches from area colleges**. Approximately 25 skaters and 2-4 goalies sign up each year for eight 80-minute sessions. It is a lot of fun and a good learning environment. **Joe's college hockey contacts make it possible for some of New England's top female coaches to join the regular staff on a weekly basis!**
